Let's travel around the world

Hello, I am Patris and I am traveller. It is my job. Last year I travelled around the world. I saw many countries and met interesting people. I travelled with my boyfriend Tom. Let's have a look. Don't forget these things:

money

flight ticket

luggage

passport

map

In January I was in Italy. Italy is a nice country. It is warm during the summer. Around Italy there is an ocean where you can swim.

In the afternoon when I met Pablo and Alessandra. They were very friendly and told me that there was a food festival. I tried traditional Italian food during the festival for example: spaghetti, pizza, lasagne.

I visited Venice, Rome and Pisa, the most interesting cities in Italy. In Italy they have Euros because it is in EUROPE.
